

Dear future second graders,

Add Reading to your summer fun. READ, READ, READ! The more you read this summer, the better prepared you will be for second grade. Please set aside at least 30 minutes each day for some reading. Read as many books as you can and keep a list of the books you read. I have attached a reading log for you. You will also be required to fill in the book report form for **three** of the books you read. You will need to turn in the completed worksheets and log on the first day of school.

I look forward to seeing you in September.

Ms. Hess
